You will be working mostly remotely and require access to a computer with fast internet connection. Regular Zoom/Google meetings with the team are required.

Here's what **Tina Lindgreen, WAFA's CEO & President**, has to say about the work of her inspired non-profit organization:

"At WAFA Awards, we know that the effort to successfully resolve the world's many social and environmental challenges is a daunting one. That being said, we also know it's a challenge that can be resolved if enough dedicated people work together, selflessly, to make a difference.

Based on WAFa's eleven years of experience in this field, we have realized that the solution begins by providing a platform to acknowledge the silent heroes around the world who have already developed proven, nature-based solutions.

Our approach is a simple one -- to identify and showcase what's already working to remediate the earth's environmental and social challenges and then do everything in our power to let all 7.6 billion people know about these low-cost, high impact, planet and people saving initiatives. As WAFa continues to expand its reach, so does our need for savvy, committed volunteers. We are hoping to fill this position before the first of July. If you know anyone with the skills, experience, and time to become WAFa's new Web Page Supporter, please forward this post to them. The role is a juicy one and the right person will make a huge difference in the impact WAFa can have worldwide."

If YOU want to join us to help make our dream a reality, we invite you to send your CV/Resume to kioe@wafaward.org.
